## REMARKS.

THESE *Extra Large-sized Trees* are such as can seldom be obtained elsewhere at any price. The most vigorous and well-grown Trees are selected in every case, whereby several years' time are gained in the planting of Orchards and Gardens, and in the adorning of pleasure grounds. Where new residences are being erected, and the grounds require to be promptly beautified and made useful, these large and fine trees will be of the greatest importance. They are resold by Dealers who obtain them of us, at an advance of 100 to 200 per cent.

OUR DESCRIPTIVE CATALOGUE, No. I, comprises Fruit and Ornamental Trees and Shrubs of the usual sizes, at low rates.

CATALOGUES, which are sent to purchasers of trees, and to those desirous to purchase, who inclose stamps. *They are desired to send for such only as they actually require.* No. 1, Fruit and Ornamental Trees, Shrubs, and Plants; and, No. 2, Roses, Dahlias, Bulbous, and Herbaceous Flowering Plants, &c. ## EXTRA LARGE EVERGREEN TREES AND SHRUBS.

SUITABLE TO IMPART IMMEDIATE ORNAMENT.

The prices of Evergreens, as stated in Catalogues, form no criterion as regards cheapness, as Trees of the same height often differ one-half in value. Those grown from seed in a Nursery, and repeatedly transplanted, attain a degree of vigor, beauty and hardihood, that it is impossible for those to acquire which are obtained from the forests.
